

SUGGESTED USE

As a dietary supplement, take 3 to 4 capsules one to three times daily, on an empty stomach until desired cleanse has been attained. Decrease dosage for maintenance. Daily dosage will vary depending on individual intended purpose. Results may vary.

Mag O₇ is a specially formulated magnesium based compound which has been ozonated and stabilized to release nascent oxygen when used as directed. Mag O₇ has a stool softening effect, which eliminates the digestive tract of unwanted fecal debris, and aids in digestion by slowly releasing beneficial nascent oxygen which good aerobic bacteria needs to digest properly. Mag O₇ is non-habit forming.
